

SAMPLE SETLIST

Background

Examples of just some songs that Alice and her guitarist can play at your event/venue - whether it be to accompany a meal, drinks or post-ceremony canapés at a wedding! Please note, this list is just a sample of what we can play - we have lots more songs and always ensure the music we provide caters to the style and vibe of the event, along with the preference of the client. We love taking a well known song and changing it up!
